

Residency Activities – Bob McChesney

www.BobMcChesney.com

Clinics:

1) Jazz Improvisation Clinic

(subjects covered: How to Create Interesting Jazz Solos, Balanced Practice Routines, Using Computers to Aid Your Playing, Mastery)

2) Doodle Tonguing for Trombonists Workshop

(as the author of *Doodle Studies and Etudes*, Bob gives first hand instruction on the articulation technique that enhances speed, evenness, and smoothness on the trombone)

3) Brass Masterclass

(The Importance of Warm-Up Routines, Balancing Practice Sessions for Fast and Steady Improvement)

4) The Music Business

Bob McChesney brings years of experience and practical knowledge from the recording studios of Los Angeles and infuses students with the desire to improve their musicianship as well as their playing. Bob demonstrates an organized way to approach jazz improvisation and discusses how to create interesting jazz solos, using computers and career strategies. In addition, as author of *Doodle Studies and Etudes*, Bob gives first-hand demonstrations, explanations and feedback to trombone students on this important fast-legato technique.
